Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application as this development is on green belt land and as stated in the government's planning policy there should be no development on green belt land. Shorne is a village and there are areas that are not green belt that would be better suited for this type of development. Peartree lane and shorne village is a sought after location within Kent and a development of this nature would severely affect this village desirability. The access to this camp site is on a small lane and therefore not at all viesable for large vehicles to access, and parking would be even more impossible as already there are parking problems due to the close proximity to the public house. Therefore I object to this application.

Kind regards
