Reasons for comment:	
Comments:	I am writing to express my strong support for the planning application for the proposed mosque at The Peacock Public House, 78 Peacock Street, Gravesend, Kent, DA12 1EG (application ref: 20250369) I regularly visit family and friends who reside locally and have come to know the community well. From what I've seen, there is a clear and growing need for a dedicated place of worship that can also serve as a hub for wider community activities. Mosques today are more than religious spaces - they often provide educational support, charitable services, and foster community cohesion. The proposed development would be a welcome addition, offering inclusive services and facilities that benefit not only worshippers but the wider community. I understand that the planning has been thoughtfully designed to address practical considerations such as parking, access, and environmental impact, and I trust the council will see the positive contribution this Mosque will make to the area.

Kind regards
