3 BUILDING REGULATIONS CONSENT

The granting of planning permission is independent from the granting of Building Regulations consent (which may, or may not, be required). In the event of a change to the scheme granted planning permission being required to satisfy the Building Regulations, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

4 STATEMENT OF POSITIVE AND PROACTIVE APPROACH TO DECISION-MAKING

In accordance with Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended), and paragraph 38 of the National Planning Policy Framework (NPPF) 2021, the Local Planning Authority has approached the assessment and determination of this application in a positive and creative way and, where appropriate, has worked pro-actively with the applicant to secure a development that is sustainable and that improves the economic, social and environmental conditions of the area, and that is in accordance with the Development Plan for the area.

In this instance the submission was acceptable as submitted.

5 EXTENT OF THIS LAWFUL DEVELOPMENT CERTIFICATE

For the avoidance of doubt and notwithstanding the details as shown within the plans as submitted to accompany this application, the Lawful Development Certificate hereby granted relates to the proposed construction of a single rear dormer and two front roof light and a window opening in the front elevation.

NOTES

This certificate is issued solely for the purpose of Section 192 of the Town and Country Planning Act 1990 (as amended).

It certifies that the use, operation or matter specified in the First Schedule taking place on the land described in the Second Schedule would have been lawful, on the specified date and, thus, was would not have been liable to enforcement action under Section 172 of the 1990 Act on that date.

This certificate applies only to the use, operation or matter described in the First Schedule and identified on the attached plan. Any use, operation or matter which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.

The effect of the certificate is also qualified by the proviso in Section 192(4) of the 1990 Act, as amended, which states that the lawfulness of a described use, operation or matter is only conclusively presumed where there has been no material change, before the use is instituted or the operation begun, in any of the other matters relevant to determining such lawfulness.
