

20240402 Location: Huggens College College Road

North Kent Internal Drainage Board 15.10.24

Thank you for your consultation on the above-referenced planning application.

The site is outside the Board's drainage district and any river catchment that drains into our district; therefore, the application proposal does not impact the Board's interests, and we have no comment. Kent County Council acting as LLFA, has been involved regarding the site's drainage and is the appropriate authority to comment.
