Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Objections to Planning Ref 20260649 i.e 100 Houses near the Drove Way, Istead Rise 1. Where are all these occupants of these new houses going to go for Doctors appointments. Both Meopham Medical Centre and Istead Rise Doctors are fully subscribed. Trying to get an appointment at the moment is very difficult. 2. As per point 1 above, where are any children going to go to school? 3. Trying to travel along the A227 especially with the 3 xSchoosl (I,e Istead Rise & Meopham, junior and senior) and Meopham Medical Centre at school time takes forever in a car 4. Facilities are already stretched. The area cannot accommodate hundreds more cars trying to gain access to the A227 or A2 and surrounding roads 5. Istead Rise is becoming jammed with vehicles as they take short cuts through to the A2 6. This is already a very overcrowded traffic area.100 extra Houses means a minimum of 300

Kind regards
