Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Local services ie GP dentist hospital schools Parking at local shops is at maximum capacity. The amount of more congestion in Drove way into Istead Rise Road and Wortham Road and getting out of Istead Rise towards New Barn on residential side streets. This is a semi rural area not equipped to handle the size of this application. The Drove way is a small residential side road not equipped to deal with the amount of traffic that will have to use it if this goes ahead. The proposed application is way out of proportion to the rest of Istead Rise.

Kind regards
