Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this Planned development. The area is strained enough with GP appointments near on impossible to get, traffic links not up to standard, roads busy as ever, schools really tough to get into let alone without another 100 unneeded properties. This area is slowly becoming more and more unsafe for our children to grow up in. Green land should be valued more. Our properties will de-value with potentially bad neighbours moving in, crime rates to go up? Nothing positive to say.

Kind regards
