Reasons for comment:	
Comments:	We strongly object to the building of 100 houses behind the drove way. As Istead rise residents we do not believe there to be enough access to schools/doctors/hospitals for this amount of additional residents. I understand Gravesham wishes to build new housing but there are several new housing developments within the local surrounding areas within recent years or currently being built (ebbsfleet, swanscombe, Darenth) this will put additional pressure on the local resources already. In addition on the main reasons Istead rise is a well sought after location is its country side and green belt fields building more housing would take away from the village.

Kind regards
