

LEGEND

- Existing vegetation
- Proposed woodland buffer of evergreen and deciduous trees
- Proposed mixed native hedge
- Proposed mixed native scrub
- Proposed long grass
- Proposed wildflower meadow
- Asphalt road
- Battery Development

- A Proposed wildflower meadow under existing powerlines
- B Area of existing neutral grassland retained
- C Woodland buffer
- D Existing vegetation along Station Road retained and improved with additional native hedge and tree planting
- E Existing pond retained
- F Boundary along existing farm access track reinforced with proposed native hedge and tree planting
- G Proposed neutral grass glades

NOTE: Where proposed planting clashes with the drainage soakaway pits, shallow rooting species will be selected so not to perforate the lining.
