15th January 2026

Mr Richard Hart
Team Leader (Development Management)
Gravesham Borough Council
Civic Centre, Windmill Street
Gravesend
DA12 1BW

Dear Mr. Hart,

Listed Building Application 196 and 197 Parrock Street DA12 1EW

Reference: 20240906

As discussed on email, I am applying to amend the Listed Building Consent to extend the wrought iron railings and nib wall to the front of the property. This is principally to meet the requirements of Building Control that the light well be fully protected and also to extend the railings so that the full forecourt is enclosed. All relevant original documents are included, amended according to the above change and further changes which have been agreed in correspondence undertaken for the purpose of discharging conditions.

A Non-Material-Amendment covering the above will be submitted to planning.

Yours sincerely
