Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I live opposite the said building and object to this planning of building a place of worship because firstly there's not enough parking spaces as it is and secondly [REDACTED] so I need to park as close to my house as possible. Then there's the noise issues I don't think they should have this built here

Kind regards
