Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Vile and unfair to the community - a227 can't hack extreme traffic and will soon become a by pass from navigation apps such as Waze as they route through the village to reach Lower Thames Crossing C. Doesn't seem to be any thought or care for wildlife or hedgehogs. Houses will still be unaffordable and will be hideous and ruin the village aesthetic while some twat stakeholder miles away reaps the profits. Bigger off else where - have family in Meopham Court and they were never considered or consulted

Kind regards
