Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There is too much traffic on the surrounding A and B roads which are already treacherous especially near the schools. This would be detrimental to the local natural environment and wildlife. There is not enough infrastructure to support this project, it's already very difficult to get medical appointments locally and the nearest hospitals are overwhelmed. Housing projects should be built on existing brown sites not green belt land which is currently farmed.

Kind regards
