Dear Alison

Re: Gravesend - Former Tollgate Hotel, Land at the junction of the A2 with Wrotham Road

On behalf of our client, bp pulse (the applicant), we submit a full planning application in respect of the proposed redevelopment of the Former Tollgate Hotel at Wrotham Road, Gravesend. All land within the red and blue lines is in the ownership of the applicant.

The description of the development proposals (the proposed development) is below:

"Full planning permission for the demolition of existing buildings to provide an EV charging hub and petrol filling station, including 24 charging bays and supporting electrical infrastructure (12 charging upstands, three substations and two network cabinets), six pump islands with canopy above, a forecourt shop/amenity building, customer parking, two air and water spaces and associated hardstanding and landscaping, accessed from the Wrotham Road/eastbound A2 roundabout junction."

In support of this full planning application, the following has been submitted via the Planning Portal (PP: PP-13400788) alongside the application fee of £3,538.00:

- The completed application Forms and certificates prepared by Rapleys LLP;
- A Planning, Design & Access Statement, Statement of Community Involvement, and Sustainability & Energy Statement prepared by Rapleys LLP;
- A full suite of drawings, accompanied by a document register, prepared by MBH Architecture, including:
