| Stance:              | Customer made comments in support of the Planning Application                                                                                                                                                                                                                               |
| Reasons for comment: |                                                                                                                                                                                                                                                                                             |
| Comments:            | A working farm needs farm building, and it would be better seeing that our daily walk rather than 200 houses being thrown up. Without the necessary buildings to allow our farmers to carry on their livelihood, the countryside will be decimated and we'll be relying on foreign imports. |

Kind regards
