Reasons for comment:

Comments: I object to having a MacDonalds so close to a Secondary school.
National Planning Policy Framework (NPPF) (Paragraph 97) guidelines empower local authorities to refuse new hot food takeaways near schools. This policy aims to curb childhood obesity by restricting fast-food outlets within walking distance of schools/collages, focusing on improving health, reducing anti-social behavior, and limiting unhealthy food access.
Paragraph 97 reads:
97. Local planning authorities should refuse applications for hot food takeaways and fast food outlets:
a) within walking distance of schools and other places where children and young people congregate, unless the location is within a designated town centre; or
b) in locations where there is evidence that a concentration of such uses is having an adverse impact on local health, pollution or anti-social-behaviour.
