Reasons for comment:	
Comments:	investments would be better made to develop this area into a local business. we should be supporting independent companies rather than large corporations. additionally, it is not a nice idea to have a 24/7 McDonalds right in front of your house, and having the negative backlash that also has. Loitering, littering, and aggressive behaviour all come to mind when I imagine a McDonalds open at 3 am on a Saturday night. this area has been known to be a fairly peaceful neighbourhood and it should be encouraged to remain that way.

Kind regards
