Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	More Caravans are arriving on a weekly basis further damaging the lane. The lane was not built to cater for the size of these transporters; they are also blocking the lane each time forcing the whole community to divert causing further delays etc. The more people that move in is adding to the amount of traffic up and down the lane. The land in question has already got a court against this type of settlement and notification has already been provided to remove everything by Feb 2026. The site has now been split into 3 areas, but the court orders apply to the whole land.

Kind regards
