INFORMATIVES:-

1 THAMES ESTUARY AND MARSHES RAMSAR/SPECIAL PROTECTION AREA

It is a condition of any permission granted by a general development order that, in those cases where a development is likely to have a significant effect on a European site, either alone or in combination with other plans or projects, the development must not be begun until the developer has received written notification of the approval of the local planning authority under Regulation 73, of the Conservation of Habitats and Species Regulations 2010, which is expressly saved by Schedule 7 of the Conservation of Habitats and Species Regulations 2017. Pursuant to Article 3(1) of the Town and Country Planning (General Permitted Development) (England) Order 2015, an application under Regulation 73 would therefore be required before the development hereby approved is begun.

2 EXTENT OF THE PRIOR APPROVAL

This written notice confirms that prior approval is not required.

Unless otherwise reserved for approval by a condition forming part of this permission, the developer is advised that the development must be carried out in accordance with the details provided in the application, unless the Local Planning Authority and developer agree otherwise in writing. Registration is also necessary to register to vote, for utility connections, and will avoid duplicate addresses.

The Naming and Numbering service is provided by the Borough Council. The on-line form is available at the Planning/House Numbering page of the council's web-site <http://www.gravesham.gov.uk/street-naming>.
