Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am objecting due to the fact the original extension of Greenwood in 2001, ref no GR/20000840 stated that only velux windows with obscuring glass can be allowed, otherwise it goes against the town and county planning act 1990, section 91. I bought my property when Greenwood was a bungalow, the original extension shouldn't have been, but was allowed as long as the owners adhered to the above restrictions. Installing velux windows that look [REDACTED] towards my property goes against the conditions imposed that allowed the original extension.

Kind regards
