Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Green Farm Lane is subject to an increasing overuse of traffic presenting a risk to people who have to walk along the lane, including children walking to school. Any increase in traffic volume will make this risk worse. The lane is also getting increasingly damaged by vehicle over use, it is not built for traffic volume using the road. The statutory services are not very deep in the road and are subject to potential damage from overuse of the road. Despite restrictions on the road commercial units in Queens Farm Road routinely ignore restrictions resulting in traffic problems and nuisance in Green Farm Lane.

Kind regards
