Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The addition of 100 additional houses, which could be as many as an additional 250+ cars and 400+ people in an already busy area will have an effect on our doctors, dentist and schooling plus a massive disruption to the roads in Istead Rise whilst the work is untaken. Already getting an appointment to see a Doctor is difficult and children in our area and surrounding areas are not gaining places at our local Primary School which is madness. This in addition of course to the impact on wildlife with the removal of more fields and green spaces for more homes which are just not needed in this area.

Kind regards
