Reasons for comment:	
Comments:	I live on a neighbouring road, Biddenden way. I am objecting against this as we recently had issues getting our child into the local school and putting an extra 100 houses on it is moving completely backwards. We moved out of Gravesend so that we could be closer to the countryside and by putting an extra 100 residential houses in Istead rise defeats the purpose as it is destroying it. I also do not think it is a good idea as an extra 100-200 cars running through Istead rise is a huge risk considering when the A2 has an issue people already use it as a cut through to avoid traffic. This in turn creates an unsafe environment for our children and elderly residents that live in the area. Another issue is that the doctors surgery cannot cope with the amount of people that live in Istead rise as it is now.

Kind regards
