Reasons for comment:

Comments:	This is an abhorrent proposal which demonstrates all that is wrong with this country. Let me make this simple for you: 1. This encourages unhealthy eating habits for pupils attending St George's school and those staying at the Premier Inn 2. There will be an increase in traffic, noise, and pollution - far beyond what this road can take 3. The increase in rubbish will be a blight on Woodlands park, the surrounding area, our environment and wildlife. No number of bins will cope with the waste, as there aren't the provisions to collect this waste in a timely way- conduct thorough market research on other outlets to see the impact on the surrounding area 4. There is already a McDonald's in the town centre- which is a 10 minute walk away- there is no need to add another chain in this area 5. Anti social behaviour - I have a concern this establishment will facilitate and encourage anti social behaviour why a fast food chain? Why not a little farm shop or family-run restaurant or a coffee shop - why must it always be a race to the bottom- is there no ambition to create a better community and standard of living?
