Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I totally object to the above planning application for the following reasons:- Impact of all the building work on Norwood Lane and the effect it will have on our local roads. The natural borders of all our villages, Meopham, Sole Street, Luddesdown and of course, Cobham which has so much local history. Our wildlife which depend on our green spaces including owls, bats and birds. The local roads which are essentially lanes and not suitable to take lorries and HGVs on the scale which will be necessary. Facilities such as local surgeries which are already over subscribed. Local flooding along the A227 and current infrastructure does not allow for another 725 properties and 1400 vehicles in Meopham. There are so many local brown sites that would be much more appropriate, such as Gravesend Hospital and Tollgate Hotel. This planning application does not benefit local residents at all. Therefore, I completely and wholly, object to this application.

Kind regards
