Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Loss of farmland Strain on local amenities doctors / dentists etc With 725 houses huge amount of additional traffic putting strain on local roads , many of which are country lanes . Currently whenever there are roadworks , accident , broken down car etc the whole area can very quickly become gridlocked especially rush hour and school times . The access roads next to proposed development are not main roads and again would cause increased congestion Added pollution Loss of more green belt land

Kind regards
