Comments:

I strongly object to the building of these new homes for many reasons . The fields are a necessity to our country side . We need our green spaces . With the rise in mental health problems , a walk in a green space has many health benefits which are free .

I'm concerned about the local amenities being over run and overstretched. The local Drs already appear to be overstretched.

Our village has a strong sense of community with is vital , particularly for our elder community.

Norwood Lane and surrounding areas will not cope with the huge increase of traffic .

There would also be an increase in pollution and also cause a threat to wildlife. I cannot see anything positive about this project whatsoever.

Kind regards
