Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	The proposal for this amount of new housing developments in the area between Sole Street and Meopham will have a severe detrimental effect totally transforming the rural village to a town like urban area. I totally disagree with the reclassification of Arable land to enable development. The surrounding roads will not be able to handle the increased volume of traffic an associated noise and pollution. A development of this size will totally overwhelm the area and should be denied permission.
