Commenter Type:	Consultee
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application as it will impact negatively on the local community. Although no longer a resident I was living in Meopham until very recently and hold the village dear. Congestion on narrow country roads will become even worse, the dreadful state of local roads with huge potholes will deteriorate, health care facilities (GPs, hospitals and UTC) will be unable to cope and the water infrastructure will be insufficient. Wildlife habitats will be damaged and destroyed and these are things that developers cannot replace.

Kind regards
