Reasons for comment:	
Comments:	I have lived in Meopham for most of my life. This proposal would effectively join Meopham to Sole Street and compromise the rural nature of both. I regularly walk across and around the area of the proposed scheme and it's a beautiful rural setting bounded by lovely hedges and trees and habitat for lots of small animals and birds. Meopham is already busy during school run times especially and the various infrastructure already fully stretched. Over 5 years of disruption by HGVs, building works etc over the narrow roads would be unbearable for the residents.

Kind regards
