Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I object to the planning application because of the lack of infrastructure. Meopham and Istead rise doctors are at full capacity. The one hospital there is cannot cope. The local roads cannot cope with all the extra traffic making it dangerous pulling out of junctions and a safety hazard when crossing roads especially for children and elderly. Building on the green belt will add to the flooding on Wrotham Road as rainwater cannot be absorbed in concrete. The character of the villages are being lost and there's a risk to our food security.

Kind regards
