I wish to object to planning application number 20260649 for the reasons stated below:

Roads are not wide enough at the moment
with parked cars, more traffic especially
at school and work travel times
No public transport net work except buses
at approx one way hour. Only basic shopping
facilities for current occupants. Doctors surgery
full! Water supply needs attention at the moment
many times in last 6 months. pavements and
roads being " dug up " to upgrade and maintain.
Not enough school places
