Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Villagers should be able to park in front of there own homes, allowing a roundabout to support a business is not in the Interest of the community or village. It is also creating more traffic for our community and children. We cant get support to keep our doctors open which benefits the community but we can support a business that does not benefit our village. Put the people first and keep tradition

Kind regards
