| Comments: | <p>It is unclear from this planning application where on Pear Tree Lane this site is supposed to be.</p> <p>I object for the following reasons:</p> <p>Increased traffic and parking:</p> <p>Parking near the See Ho pub often spills onto Pear Tree Lane - there is no additional space for parking for more cars either parking nearby or using the lane. There isn't enough parking for the bungalows near the See Ho either - if you drive along there, often no passing spaces if a car is coming in the opposite direction. There have been three accidents on the lane that I know of since summer 2024</p> <p>My son gets off the school bus at 3.30 and walking around parked cars is dangerous. There is no footpath on the opposite side of the road where this camp is planned</p> <p>Out of keeping with the lane and the neighbourhood</p> <p>Rural location - we are on a green belt and many local applications for extensions are refused even when there is no objection from neighbours. Static caravans and spaces for gypsy caravans are not in keeping with the area.</p> |
