Reasons for comment:

Comments:	Increased traffic and parking around the proposed site - especially as there is often over flow when the cars won't fit in the See Ho Pub Car Park. Cars from the bungalows often park on the road too There would be increased traffic from visitors and residents on this site. Not in keeping with the area - we are green belt. There are no other caravan sites in Shorne - why build this one? At our house we have stipulations around being a single dwelling and not having annexes when we put in our planning application - this would have multiple people/residents on one small piece of land. Where is the infrastructure or facilities to support that?
