Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The roads around that area are very congested at the best of times There is no need for this once great venue to be used for a place of worship There is already a temple that is disused not far from the location it would make more sense to use that as a place of worship Surely worshipping in a basement of the proposed property would have a significant fire risk ?

Kind regards
