Reasons for comment:	
Comments:	I think the building of this mosque will be a big positive as it gives the Muslim community another place to be able to come together as a community. Not only do I think this will benefit Muslims but it will also bring a safe place for people that have any trouble or problems as Islam is a religion of peace and teaches Muslims to be kind to others. This mosque will be a safe and open place for a and the opening of this mosque means a building won't be left abandoned and useless.

Kind regards
