Reasons for comment:	
Comments:	As a 58-year-old resident of Gravesend who has lived in the area for around 20 years, and currently resides opposite the proposed site for the new mosque, I fully support the petition for its construction. Over the years, I've seen Gravesend grow into a more diverse and inclusive community, and I believe this mosque will be a valuable addition that reflects and respects that diversity. Not only would it provide a place of worship for many local Muslims, but it would also serve as a community hub that promotes understanding and unity among people of different backgrounds. Living nearby, I have no concerns about its presence-in fact, I welcome it, as I believe it will bring positive engagement and foster stronger community ties in our neighborhood.

Kind regards
