Comments:

I strongly object to the proposed McDonald's at The Woodlands. The proposal would generate a substantial increase in traffic and congestion in an area that is already under pressure.

Positioning a major fast-food outlet next to a leisure park and schools is highly inappropriate. It introduces increased noise, and litter exactly where the community expects safe, healthy, and accessible public spaces. The presence of a fast-food chain in such a location also conflicts with efforts to promote wellbeing, active lifestyles, and a positive environment for young people.

The proposal is out of character with the area and would bring unnecessary disturbance and visual impact. Importantly, there is no demand for another McDonald's here: there are already two McDonald's restaurants and numerous fast-food outlets in the area. The proposal provides no additional community benefit.

For these reasons, I urge the Council to reject this application outright.

Kind regards
