Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly suppose this development. Its size and location is totally inappropriate for Meopham. Local infrastructure is not able to support it. The roads surrounding it are narrow and lead up to Wrotham Road which is already extremely busy. The building of the lower Thames crossing is only going to add to the congestion. This is good agricultural land and green belt. Consent for this development must be refused.

Kind regards
