Reasons for comment:

Comments: My daughter's family live very close to the proposed site. I regularly help with my granddaughter's care which means picking her up from pre school on foot and we regularly go to Woodlands Park. Presently, we are negatively affected by air pollution near busy and often stationary traffic, and already notice the very significant litter problem in the locality. This development will make these problems demonstrably worse which is against local and national policy. Locating a McDonalds so close to schools is also contrary to those same policies.

Kind regards
