Reasons for comment:

Comments: Myself and my husband strongly disagree with this proposal. As it is you cannot get a Dr's appointment as there are too many patience registered at all the local practices. The traffic increase would be far to much for the village, there is not enough parking by the shops and school as it is. on a more environmental note, the fields capture flood water to reduce flooding in the village, which is already an issue on Wrotham Road and Norwood Lane. And the carbon footprint would rise immensely. The disruption to a already overcrowded village would be long and intolerable.

Kind Regards
