Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the planning application on the following grounds:- 1. The unique character of Sole Street and Hook Green will be shattered by excessive impacts on local amenities that are at full capacity. 2. Additional traffic on A227 will cause more pollution. The A227 is already at full capacity. 3. Train stations at Meopham and Sole Street have no lifts. Disabled people, parents of young children and cyclists will not have access to train station. 4. The number of new dwellings will increase number of cyclists but there is no cycle paths between Meopham-Sole Street-Istead Rise-Gravesend. 5. Focus should be to preserve the countryside, protect natural habitats. Ancient ecosystems, flight paths of birds, hunting grounds for mammals and habitats will be destroyed. 6. Meopham and Istead Rise GP Practice are both at full capacity. 7. The scale of the proposed development is excessive and does not suit the local area.

Kind regards
