Comments:

I wish to object to the above proposal which is out of keeping with the residential area that surrounds it. I am particularly objecting to the terms of the application. If it were to be granted the surrounding properties would be vulnerable to encroaching caravans etc. in their gardens, particularly those with large gardens. Once in place trespassing travellers are very hard to move on, particularly from private property.

Extra access onto a busy road, often with speeding traffic coming through and road parking outside the See Ho pub and outside the Ridgeway bungalows would make that part of the road more hazardous. Not to mention for pedestrians who often walk there.

Such sites are notorious for the devastation they leave the council to remove and repair. Static homes, '2 touring caravans' and a day room will not leave much space on quite a small piece of land for accompanying vehicles to park on the site leading to even more parking problems on the road.

There must be more suitable sites for travellers/gypsies to rent that would not cause such problems in a residential road.

Kind regards
