Reasons for comment:	
Comments:	No party wall agreement is currently in place. I believe under the Party Wall Act that a party wall agreement is needed with myself and the address completing the works. Please confirm how the shared rear store outhouse at number 30 will be demolished without disrupting the building on my side. Please confirm how the back of the wall and roof will be made good to ensure waterproofing and structural stability. Please confirm whether the proposed roof works will affect the roof at number 28. When will full technical drawings with dimensions and structural calcs be available for review?

Kind regards
