Reasons for comment:

Comments:	I completely support this planning application and i'm really for this academy's activities. It's a great addition to the local area with community benefits and walking distance from my house. I have spoken to several neighbours who support this and we are really excited for the activities this academy has. The parking is not an issue as there are car parks nearby and lord street car park is only 1 minutes walk away from the building, so it would be really easy for people coming from far to park there. We can't wait for this academy to open!
