Reasons for comment:

Comments:	I live in the DA12 area and support the planning application at No. 42. The additions inside the outbuilding do not affect the surrounding properties in any negative way. The building's external appearance remains exactly as previously approved, and the facilities added are purely for convenience. The applicant has clearly stated that the outbuilding will not be used for sleeping accommodation, renting, or any form of separate residential occupancy. [REDACTED] do not reflect what is actually happening at No. 42 and seem to be based on assumptions rather than facts. I fully support the application.
