Details of the pre-application advice received

Despite there being a number of positive aspects to the proposed development, the Green Belt policy objection would be overriding.

Therefore, it is strongly recommended that the proposal be subject to considerable amendment (to significantly reduce the size and bulk) prior to the submission of any further pre-application enquiry or future planning application.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
