Dear Kelly

**20221046 - Shornemead Level Crossing, Queens Farm Road, Shorne,
Gravesend**

Thank you for your mail dated 27th September 2022 with regard to the above application.

Public Rights of Way NS368 includes this footbridge. Currently this route is closed until the bridge is constructed, and I therefore enclose a copy of the Public Rights of Way network map showing the definitive line of this path for your information. I support this measure to reinstate a footpath over the railway at this point which has been subject to much public criticism.

It is important to advise the applicants that a public right of way must not be stopped up, diverted, obstructed or the surface disturbed and there must be no encroachment on the current width, at any time now or in future. This includes any building materials or waste generated during any of the construction phases. Please note that no furniture or fixtures may be erected on or across Public Rights of Way without the express consent of the Highways Authority.

Yours sincerely

John Pelham
