Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Ms Cue Permission has not yet been granted, yet the road has been closed for services to be connected to the site. A residential home has been put on site and landscaping is currently underway. Why has this been allowed to happen before a decision has been made. It would appear that 2 fingers are being shown to you. What are you intending to do about it and quickly, before more work takes place.

Kind regards
